VILLAGE ADMINISTRATOR – Keith Kruse reported:

- **WATER PLANT:** The Ohio EPA has issued updates to the required actions policies for *Lead Notifications and Action Level Exceedance*. Please direct any questions from residents regarding any Lead issues to our office. Residents may also visit our website, or posting sites, for the complete annual water report. We will advertise for a full time water plant operator position.
- **SEWER PLANT:** Ohio EPA conducted an inspection on February 19. The EPA has implemented an additional inspections policy for all entities in non-compliance status. The results of the inspection move us from non-compliance status to “partially returned to compliance”.
- **SEWER SEPARATION PROJECT:** Lateral connections to begin soon and the number of connections have dropped significantly. Working with Poggemeyer Design Group (PDG) to evaluate a section along the North side of Main St. (Water St. to Lime Rd.) to determine if the sanitary sewer is separated.
- **STREETS:** Meeting scheduled with ODOT on March 18 to discuss the potholes and poor condition of Rt. 20.
- **OTHER:** The house next to the Marathon Gas Station will be torn down this month. Kruse stated he will be on vacation from March 24 – April 3.
