### THE MAYOR SAYS...

Greetings Residents,

As I look back to the beginning of the year, many changes have taken place throughout the Village. In January, Bob Rickard was appointed as Village Administrator.

Congratulations Bob!!

In developing this position of Village Administrator, the Board of Public Affairs had to be abolished in accordance with the Ohio Revised Code. On behalf of myself and the Council members, we would like to thank Board members, Scott Schneider, Bill Andrews and Larry Shue for their commitment and service to the Village.

Although faced with difficult

economic times we are continually applying for grants and stimulus package monies to help us meet these challenges. Many changes and updates to our community have been made possible by these resources. Martin Marietta provided grant money to rebuild the sign by the Post Office and with our annual funding monies from Ottawa-Sandusky-Seneca Solid Waste District we were able to purchase new picnic tables with umbrellas and new lifeguard chairs for the pool.

To date we have acquired \$725,000 for the Sewer Separation Project through grant money and we are continuing to explore the possibilities for additional funding.

*Spring Is In The Air*

In closing, I encourage you to check out these changes and continue to support our local businesses as we progress towards a better Woodville.

Mayor Harman

### NEW POSITION FOR BOB RICKARD

Bob Rickard has been appointed Village Administrator as of January 26, 2009.

Bob began his career with the Village in 1975 and has worn many hats during his tenure with the Village. In 1984 he was promoted to Village Works Administrator.

Although many of his responsi-

bilities will remain the same, such as overseeing the day to day operations of the village, his new duties will include a more financial and budgetary role.

CONGRATULATIONS BOBI

## COMMUNITY POOL TO OPEN SOON

The Board of Recreations is pleased to announce the hiring of Pool Manager Samantha Glaspy for the 2009 season. Samantha comes from the Fremont YMCA and is highly qualified to manage the pool. She can certify guards and has her Pool Operator's license. We look forward to a fun filled summer under her management and encourage everyone to stop down and welcome Samantha!

With the economy affecting us all, the Board has voted to keep the passes and rentals at the same price as last year.

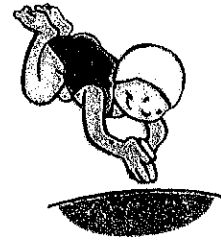

Early Bird Passes will be on sale at the Town Hall beginning May 1st and end-

ing June 5th during the hours of 8am-4pm daily. Early Bird prices are as listed.
