 - 6 Labor Day

from the "Lime Center of the World"

FROM THE MAYOR - RICH HARMAN

Sadly, our neighboring communities were recently devastated by tornados. Woodville has offered support to those affected by supplying manpower and/or equipment needed to aid with the clean up.

An account has been established at Huntington National Banks for those wishing to make a monetary donation for the tornado victims.

As you prepare to fill the summer with events and activities, I encourage you to prepare a plan in case of inclement weather. Remember to include your neighbors and pets in your plan.

After numerous years of dedicated service, Lloyd Lohmann has retired. Lloyd's hard work to keep the parks and lawns throughout the Village in meticulous order will be deeply missed. Best Wishes Lloyd!

SPECIAL EVENTS....

September	10th & 23th

FROM THE CHIEF - ROY WHITEHEAD

For your safety make sure to ask unfamiliar persons at your door for proper identification before allowing them into your home. In 2007, Village Council passed ORD 711 which requires solicitors to obtain a license that permits them to go door to door. Solicitors can only do this after registering with the Police Chief and receiving a Village Photo ID. All ID cards issued shall be worn by the solicitor.

Also keep in mind that school is out for the summer, so please pay extra attention while driving around town. Parents please remind your children about bicycle safety, wearing a helmet while riding bikes, and looking before crossing streets. Let's keep our streets safe and our children safer.

FROM THE ADMINISTRATOR - BOB RICKARD

Spring has come and gone, as summer quickly arrives! To keep you updated on our ongoing projects, completion of the raw waterline project will come to a close as soon as the weather allows the contractor to finish the restoration work and the access road. The well field expansion project will be unfolding before our eyes as the projected start date will be August or September. The long awaited combined sewer separation project will kick off with the bid opening on June 29th. A recommendation for the bid award to Council will put the project in motion, as most of the details are already in place to move forward. According to our engineer, construction could possibly begin sometime in September.

In the coming weeks the Village employees will be making preparations for the annual 4th of July celebration. Please watch for details on your utility bill for hydrant flushing dates. If you have any questions or concerns on any of the ongoing or upcoming projects please feel free to call my office.

POOL NEWS...

The Woodville Pool is geared up for another season. Kaylee Paul is the new Pool Manager, and is looking forward to a fun and safe swimming season.

Pool hours : (Weather Permitting)

Monday—Thursday 12noon—8pm

Friday 12noon—5pm

Saturday 12noon—8pm

Sunday 12noon—5pm

The pool will be closed on July 3rd and 4th.

Additional information is available at our website www.villageofwoodville.com or you can call the Pool at 419-849-2005.

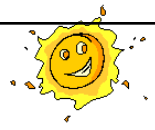

FROM THE FIRE CHIEF - PAUL HEINEMAN

The Woodville Twp. Fire Department members are always busy training on their Monday night drills to meet State of Ohio continuing education requirements to remain a certified Firefighter. Also, our EMT's have to attend regular monthly training to keep up on their certifications as well. We presently have 34 volunteers on the department including our newest recruit Michael Dobrosky who will be receiving his training in the near future. All of our volunteers are a very dedicated group that take time from their busy schedules to serve the community, and keep up with all that is required of them.

We would like to call your attention to the new landscaping at the Fire Station which recently has replaced shrubbery that was 30 years old.

People don't notice whether it's winter or summer when they're happy.

~Anton Checkov~

WHAT'S THE BUZZ...

Congratulations to:

- Kent Bringman and Kyle Osborn have been hired as our seasonal mowing crew.
- Keith Kruse for passing the for his Class I Water Operator license exam.
- Don Johnson for passing the for his Class I Wastewater Operator license exam.

Welcome New Businesses:

Phone: 419-849-2001 Call Today - Opening Soon!
- All Pro Solutions - For your computer needs!
Located at 109 E. Main Street

19 YEARS

The Woodville Tree Commission has been busy this year! We have...

- Planted 9 trees this spring for village residents.
- Provided the Boy Scouts with an oak tree for a memorial for Jehrid Fegley, which they planted at Trail Marker Park.
- Provided a tree for Arbor Day planted at Woodmore Elementary.

Fall Planting: Applications are available at Town Hall and will taken until the end of September.

We are currently seeking new members to join the committee. Meetings are held on the 3rd Thursday of the month. Please contact the Clerk's office for more information.

IMPORTANT REMINDERS...

- A zoning permit is needed before you install a fence, shed, deck or pool. This permit can be picked up at the Clerk's office during regular business hours.

If you have Zoning questions, please contact Bill Rowles at 419-849-2105.

- By Ordinance pet owners are responsible to remove excreta on public or private property.
- When mowing, PLEASE DO NOT DIRECT GRASS CLIPPINGS INTO THE STREET.
- The Village will be spraying for mosquitoes Monday - Friday in the evenings at dusk, weather permitting.
