IMPORTANT TAX NOTIFICATION

Dear Resident(s),

We are writing to inform you that, beginning **July 1, 2026**, a new **1% local municipal income tax** will be implemented in accordance with Ordinance 1-2026, passed February 23rd, 2026, An Ordinance Approving, Adopting, and Enacting in the Village of Woodville for the Levying of a tax upon salaries, wages, profits, commissions, and other compensation.

This new tax was approved to help fund the Village of Woodville local government. Of each dollar collected, .55 will go to the general fund, .15 to parks and recreation, .15 to police, and .15 to streets.

The 1% tax is a flat tax and there will be no credit given for taxes paid to any other municipalities. The tax will be assessed on a local income tax return for the Village of Woodville which you are required to file annually, even if you do not owe any taxes. Detailed information regarding the local municipal tax can be obtained through our website www.villageofwoodville.com and questions can be answered by calling 419-849-3031.

We understand that this new tax can raise questions, and we are committed to transparency and communication throughout this process. We welcome you to contact any elected official if you have questions regarding this matter.

We appreciate your understanding and continued support in helping us build a better community. We are here to assist you by offering tax preparation of your Village of Woodville tax return that will be due by April 15th, 2027. There are several preparations that will need to be made for the first year of filing the return so please be patient as we can all work through this together.

Sincerely,

Barb Rizzo,
Tax Commissioner
